COUNTDOWN TO HALLOWEEN

Halloween is on a Wednesday this year! That's all I needed to know for me to ask **Dan DiDio** if my ass.stant **Adam Schlagman** and I could do an INFINITE HALLOWEEN SPECIAL to celebrate.

We quickly came up with the idea of doing 13 scary stories in an 80-pager with all the basic horror groups:

Zombies. You can't do horror without them or **Steve Niles.** He's teamed with **Dean Ormston** to plague Superman.

Werewolves. Adam talked to one of the writers of ENTOURAGE, **Cliff Dorman,** who with SCREAM star **David Arquette** and **Bernard Chang** take a bite out of Robin.

Vampires. I went to my son's favorite show, SUPERNATURAL, and asked its co-executive producer **Peter Johnson** and writing partner **Matt Cherniss** to give me something new with the RED RAIN Batman for **Kelley Jones** to illustrate.

Demons. **Ian Churchill's** a big Blue Devil fan, and he really wanted to do a story with him. Turns out so did DiDio (this had nothing to do with getting the book approved).

Magicians. It wouldn't be Halloween without Zatanna and **Paul Dini,** joined by new Batartist **Dustin Nguyen.** This is just the first pairing of these two, and can I say it's magic!

Ghosts. **Mark Waid** and **Ryan Sook** give us a Flash tale that's more heartfelt than Demi Moore and Patrick Swayze combined.

Urban legends are handled by **Steve Seagle** and **John Paul Leon** in Smallville.

And there are a lot of other spooky surprises including the resurrection of an old hero. It's all nearly framed by **Dan Abnett, Andy Lanning** and **Trevor Hairsine** with a story of how the inmates of Arkham are telling these ghastly tales.

Don't settle for a rock in your bag this year. Buy this book! No trick, just a treat!

–Eddie (Munster) B
